I, JEVON SUGGS, (am presently/was previously) a customer of (Customer's Name)
(Show One)

USAA FEDERAL SAVINGS BANK, and I am the customer whose records are
(Name of Financial Institution)

being requested by the Government.

The financial records sought by the Department of Defense are not relevant to the legitimate law enforcement inquiry stated in the Customer Notice that was sent to me as the request for the information regarding my bank accounts with USAA is overly broad. Unless substantially narrowed, the subpoena is unenforceable. The request's respective date range spans over a year. Additionally, the Requestor has not demonstrated a need to know my monthly account statements, ATM withdrawal or point of sale debits, deposit tickets, copies of checks written on the account and/or deposited into the account, or wire transfer documents. The Requestor has also asked for numerous records pertaining to my check and wire transfer use without demonstrating the relevance of this information to their investigation. Finally, the request for electronic device and account access, to include date and time of any time I have ever accessed my bank account in over a year date range, is overly broad. This court should substantially narrow and limit this document request.

I declare under penalty of perjury that the foregoing is true and correct.
